

A Winter's Séance

with Dr. Gwen MacGregor

Tuesday, February 5th

6:30-8:30 pm

\$50 Preregistration

This is Dr. Gwen's fifth annual Seance and she has chosen the time of winter to host it. The dark days of winter serve the spirit of this event well. Please join us as we celebrate with those loved ones' who have passed through The Veil and return regularly to join us. The event, though solemn in nature and ceremony, is usually experienced in a

deeply, heartfelt way by those who participate.

Participants are asked to bring photos of, or objects belonging to loved ones who have crossed over. Class interaction and personal channeling are welcome. Light refreshments will be available. Dr. Gwen will have personal channeled messages to share as well.

Class space is limited so please register soon.
